NOTICE OF IMMINENT CONSTRUCTION

**BALLONA CREEK BIKEWAY AND LANDSCAPING PROJECT, P-900,
FEDERAL AID NO. ESPL 5240 (021)**

This is to advise you that a construction contract has been awarded for a Public Works improvement project along the Ballona Creek Bikeway from Overland Avenue to the Pedestrian Bridge (north of Ocean Drive and Westwood Blvd). **The work is scheduled to begin on Monday, September 20, 2010 and to be completed in January, 2011.** This project consists of, but not limited to, the following improvements:

- Removal of the concrete embankment along the upslope side of the bike path (between the bike path and the school properties) and will be replaced with a new decorative retaining wall, terraced landscaping utilizing drought tolerant and native plants with irrigation system, and a meandering pedestrian path;
- Installation of new fencing and decorative entry gate at the service road/bike path entrance to the creek located off Overland Avenue and adjacent to the library building;
- Repave the existing asphalt bike path from Overland Avenue to the Pedestrian Bridge; and
- Installation of new pedestrian lighting, emergency "call-boxes," security cameras, bio-swale, and educational display and signage along the project limits.

Due to the construction, you may experience certain temporary inconveniences such as day-time construction noise, dust, etc., even though every effort will be made by the City and the Contractor to minimize these inconveniences. Your patience and cooperation in observing all traffic controls, bikeway closures, and parking restrictions will be sincerely appreciated and will help in expediting construction of this important project. If this notice is delivered to a multi-unit complex, we request the manager notify all occupants personally or via conspicuous posting in the mail delivery area.
